

Convenient departure points & times

COACH JOINING POINTS

We offer 23 convenient departure points in Lincolnshire, Nottinghamshire and South Yorkshire. In order to minimize travel times we use a fleet of 'feeder' coaches and minibuses to assist in this process. Interchange points are at Lincoln and/or Newark for southbound tours and Lincoln and/or Ferrybridge for northbound tours. Due to long term roadworks north of Leicester, on the M1 wherever possible, southbound tours will operate via the much improved A1. As a guide, feeder pick up routes are detailed on the diagram.

NEW! DOOR TO DOOR SERVICE

We are pleased to announce our new door to door service for 2009. These are shared chauffeured vehicles, routed according to individual bookings. The main advantage being convenience, luggage handling and an absolute guarantee that you will make your connection to the tour coach. Pick-up time will be advised one week prior to departure. Due to the nature of this service and depending on bookings, your total journey time may be longer than if you join the tour coach at a main pick-up point.

Please note that door to door service is subject to availability at time of booking. Addresses must be accessible by hard, sealed road surface.

The cost of the DOOR TO DOOR service is just £10.00 per person and is available from the following post codes only: DN1, DN2, DN3, DN4, DN5, DN6, DN11, DN21 and DN22.
